A collection of inspirational stone plaques with various scripts.

Due to the naturally occurring characteristics of this stone there maybe slight variation in colour, shape and size. Sizes are approx 25cm x 25cm. The plaques are weatherproof and each piece is unique.

VERSES

PS01

Follow your dreams
Take chances
Ask questions
Knock on the door
of the unknown
Don't settle for
second best

PS02

Today I will
Stand tall
Smile at strangers
Laugh out loud
Hug a friend

PS03

Because you love me
my world is full of peace
Every minute of time is special
I am free to be me
My feet don't quite
Touch the ground

PS04

Each day wake with peace in your heart
Let your spirit fly free with the wind
Let your imagination dance on butterfly wings
Turn your face to the sun and breathe the energy
Into your soul

PS05

Peace
It does not mean to be in a place where there
is no noise, trouble or hard work
It means to be in the midst of those things
and still be calm in your heart
